OUR GENEALOGY

Stark Community Foundation, our whole community and our grantees all know how deeply we appreciate the hundreds of donors who constitute *Our Family Tree.* It is fitting that our gratitude be continuously expressed, and also that we always act as loyal stewards in fulfilling their varied charitable intentions. This publication is to document, honor and remember our donors.

Patriarchs

Our patriarchs are Edward A. Langenbach and H.H. Timken, although neither of them specifically envisioned Stark Community Foundation as far as we know. They were prominent business leaders in Canton in the 1920s and 1930s. Before his death in 1936, Langenbach established a trust for the support of his widow who lived until 1953. At her passing, the Langenbach Trust became a charitable trust with three advisor grant makers, James L. Amerman, Paul B. Belden and Dale C. Hall. As they made grants to meet community needs, they became acutely aware of the importance of increasing the endowment assets available to benefit Stark County. They received Probate Court approval to use the Langenbach Trust to start a community foundation. Timken Foundation of Canton, which H.H. Timken started in 1931, generously supported the establishment of Stark Community Foundation by matching the assets of the Langenbach Trust. Thus, our family tree was planted in 1963.

Arborists

Guiding and nurturing the growth of *Our Family Tree* has been a remarkable group of volunteers serving on our board of directors over the years. Their diligence and commitment has been admirable. Many have become donors. Their work has been enhanced by the strong support of our standing committees — Advancement, Audit, Investment Review, Personnel and Trust and Estate Planning. Many past board members have continued their volunteer service on these committees alongside other volunteers.

Growing Branches

The form and substance of *Our Family Tree* represents the gifts of our donors. More than 800 charitable funds comprise Stark Community Foundation. These permanent funds are the tangible evidence of donors' generosity, imagination, hopes, dreams and personal commitment to our community's better future. May our hearts and minds always hold those individuals in the highest esteem.

We also recognize the critical role professional advisors have played in our growth. Attorneys, trust officers, accountants, financial advisors and trusted friends have been instrumental in the realization of charitable gifts.

With Appreciation

We hope you enjoy *Our Family Tree*. Please join us in continuing to thank all of those who have made our charitable work possible. Be mindful of those future donors whose trust and commitment will make the coming decades a time of further growth and increasing outreach for Stark Community Foundation.

TYPES OF CHARITABLE FUNDS

Every donor's personal passions, charitable goals and tax planning needs are unique. That's why Stark Community Foundation offers an array of charitable fund options to best meet those needs and turn your passion into meaningful impact.

With a charitable fund (think of it as a combined checking and savings account set aside specifically for charitable purposes), you support your passions, streamline your charitable giving and build a legacy that lasts forever. It's easy, meaningful and tax-smart.

Types of charitable funds include:

Donor Advised Fund
Take a personal approach to your giving by making grants to any nonprofit as often as you'd like.

Designated Fund
Help your favorite nonprofits sustain and grow by earmarking your funds for one or more organizations.

Organization Endowment Fund
Create a constant, predictable stream of income for your nonprofit organization.

Scholarship Fund
Help deserving students advance their education by providing money to offset their college tuition.

Corporate Donor Advised Fund
Support causes in the community that strategically align with your business goals.

Field of Interest Fund
Make an impact in a targeted area or field of interest you are most passionate about.

Community Charitable Fund
Address our community's most pressing needs and opportunities by relying on Stark Community Foundation's Grantmaking Team to evaluate and determine what programs and organizations to support.

Supporting Foundation
Support local causes and beyond through a separate 501(c)(3) entity with your own governing board of directors and staff.

A minimum of $10,000 is required to establish a charitable fund ($25,000 for scholarship funds), and a minimum of $500,000 is required to establish a supporting foundation.

Through a planned or estate gift, you can create any of these funds as a **Future Fund**.

Are you ready to start supporting your passions through your own charitable fund? Follow these three simple steps:

1. **Choose** the type of fund that meets your charitable needs and goals.
2. **Establish** a fund by donating cash, securities or other assets.
3. **Personalize** your fund with a simple fund agreement.

Contact Bridgette Neisel, vice president of advancement, at 330-454-7992 or bneisel@starkcf.org to start your fund today.
