A Letter from Our Chairman and President

Building "Your Legacy" is an important focus of our mission at the Foundation. As we successfully help our donors create a legacy for future generations, we also create a sense of community for the people of Stark County. One of the questions most commonly asked by potential donors is "Why should I donate money to the Foundation instead of providing gifts directly to individual organizations?" The answer is simple: a fund at Stark Community Foundation creates a perpetual gift. It will continue to provide support to local organizations for generations to come.

This year, we witnessed the impact of our mission in a very significant event. In March 2011, we exceeded $100 million in combined distributions to the Stark County Community over the 48 year life of the Foundation. The Foundation began in 1963 with an initial asset base of $4.7 million. That base has now grown to $166 million and we have returned $100 million to the community through the combined efforts of our donors. It is a remarkable testimonial to the power of creating a legacy of giving!

A key strength of the Foundation is our success in generating a consistent return on our investments so that your gifts live in perpetuity. In 2010, our total net return on our investments was 12.4%. Results year-to-date in 2011 have been challenged by the performance in the global financial markets. Our investment results through June 30, 2011 are at 3.9%. These ongoing positive returns have allowed us to maintain our charitable payout policy at 4.75%, with $5.6 million in grants made in 2010. We continue to keep a close watch on our costs to administer the 505 funds at the Foundation. In 2010, our administrative costs were .63% of total assets. The addition of our investment costs resulted in a total administrative cost of 1.03% of total assets, a cost level that is extremely competitive when compared to community foundations across the country. We are very focused on our stewardship responsibility.

With 48 years of community engagement behind us, we are now looking to the future as we set our sights on a half century of service to Stark County. As we look forward, we continue to challenge ourselves to increase our service and impact on the community. That challenge has also caused us to reflect on who we are and what we do. The answer may be obvious to some and not so obvious to others– we are a charitable grantmaking organization. Our service to the community is found in our ability to accept gifts from donors, invest those gifts, and use the results of those investments to distribute funds to organizations that serve the needs of our community. And we carry out this work with the understanding that we serve as stewards of gifts from people like you: individuals, families and organizations that choose to create a legacy of giving to provide assistance to those in need both today and tomorrow.

On behalf of our Board of Directors and Distribution Committee as well as the dozens of volunteers that assist us in our work, we remain committed to our mission and to helping you create your legacy.

Create Your Legacy

Our Family Tree is comprised of over 500 branches; individuals, families, and organizations who have placed their trust in the Foundation to invest and manage their funds so they may fulfill their philanthropic goals. What is your vision for the future? Call us when you are ready to create your legacy.

Stark Community Foundation offers a wide variety of charitable giving options.

Community Charitable Fund

The Community Charitable Fund accepts gifts from donors who want the Board of Directors to use their discretion to make charitable grants to nonprofits that meet the changing needs of our community.

Field of Interest Funds

Field of Interest Funds require the Board of Directors to make charitable grants to nonprofit agencies within a broad area defined by the donor. Examples of broad grantmaking areas include: youth, medical needs, and the environment.

Donor Advised Funds

Donor Advised Funds give donors the privilege of recommending grants to the Board for organizations and causes that they wish to support with their philanthropy.

Designated Funds

Designated Funds use income to support one or more specific organizations which the donor has named in a fund agreement, trust or will.

Scholarship Funds

Scholarship Funds establish a selection committee to review applications and recommend awards to help with college or continuing education.

Agency Endowments

Agency Endowment income is disbursed to the establishing nonprofit agency.

Future Funds

Future Funds offer donors an opportunity to establish a fund during their lifetime, as part of their estate plan.

Supporting Organizations

Supporting Organizations are charitable foundations established in partnership with SCF. They are not subject to the private foundation rules and regulations and provide greater tax benefits than private foundations. In addition, the Foundation handles the administrative and filing responsibilities for the supporting organization.

What to Give

Cash/Marketable Securities

A gift of cash or marketable securities provides a simple, effective way to establish your legacy. Your contribution can be designated to a specific area of interest or given to the community chartiable fund, used wherever the need is greatest.

Other Assets

A Gift of Real Estate must be in compliance with all applicable laws before it is accepted by the Foundation. Such compliance includes zoning, health, environmental, building codes and wetland delineation. Real estate gifts should be readily saleable, free of liabilities and bear low carrying costs.

You may donate a life insurance policy to Stark Community Foundation, Inc. or simply name us as the beneficiary of the policy. For the gift of a paid-up policy, you will receive an income tax deduction equal to the lesser of the cash value of the policy or the total premiums paid.

Retirement Assets from IRA, 401(k), 403(b), SEP-IRA, ESOP, Keogh, stock bonus plans, and defined benefit plans provide a great tax advantage to you when you donate them as estate gifts to Stark Community Foundation, Inc. The simplest way to leave the balance of a retirement account to us is to list Stark Community Foundation, Inc. as the beneficiary.

How to Give

Planned Giving

Thoughtful estate planning can bring financial benefits today, while building a structure to honor your vision of a better tomorrow. Examples include:

Bequests provide a vehicle to establish a philanthropic legacy. These deferred gifts can create a fund at Stark Community Foundation from which annual support can be directed to one or more charitable organizations, or to a cause of particular importance to the donor in perpetuity.

Charitable Gift Annuities are a simple contract between the donor and Stark Community Foundation. In exchange for the donor's contribution, SCF promises to make fixed, guaranteed payments for life to one or two annuitants (usually, but not necessarily, the donor). The amount paid is based on the age of the annuitant, in accordance with SCF's rate schedule. The fact that you are making a charitable gift may result in tax benefits, including a current federal income tax charitable deduction (if you itemize your deductions), annuity payments which are partially tax-free, and future estate tax savings.

Charitable Remainder Trusts, from which the donor or the donor's designee will receive income for life, allow assets to be committed now and received by the Foundation at a specified future date, or upon the donor's death.
